THE MIRROR OF OUR SAVIOR

October, 2026

Dear Members and Friends of Our Savior,

This month, my home congregation in southern Illinois is celebrating one hundred years as a congregation. I am looking forward to going back to visit and celebrate this important day with them. It's made me think a lot about milestones. There's the milestone of our age, the number of years we've worked at a particular job, our wedding anniversary, and the milestone of miles that our car has travelled. We have class reunions to remember the milestone of our high school and college graduation. We keep track of milestones because they are an achievement. Every year added to our age is a marker of the life we have lived and the blessings God has given. Every mile on the car is a testament to where we have gone and what we have been able to see and do. We keep track of milestones to celebrate.

Throughout the Scriptures, God celebrates milestones as well. The Passover is a milestone for the people of Israel to remember. You commemorate birthdays with cake and ice cream. They commemorated the Passover with the Passover meal, with readings and prayers. ***“This day shall be for you a memorial day, and you shall keep it as a feast to the Lord; throughout your generations, as a statute forever, you shall keep it as a feast. (Exodus 12:14)”*** That Passover meal reminded the Israelites of the milestone moment when God rescued their ancestors and brought them to the Promised Land. Our Lord took that moment and showed its final fulfillment as a milestone in the path of salvation. ***“This is my body, which is given for you. Do this in remembrance of me. (Luke 22:14)”*** The milestone of God's mercy for you is the regular focus of our worship, as we receive the Lord's sacrifice for sinners.

God also gave the Israelites the rite of circumcision. ***“He who is eight days old among you shall be circumcised. (Genesis 17:12)”*** Every male born into the Israelites and every male who were added to their clan were marked as God's people through the rite of circumcision. Every year, they were able to celebrate that milestone of becoming part of the people of God. That milestone was a foreshadowing of the milestone of your faith. You were not marked with

outward signs, but you were marked with water and the Word. It might not have been on the eighth day, but you were added to God's family on the day of your Baptism, a day you can remember fondly. Each year, you have a milestone that proclaims that you are the beloved child of God. Each day of your life is a day to remember that you are baptized into Christ, forgiven and restored through the sacrifice of Jesus. And each week, as we gather together around God's Word, we begin by remembering that we are redeemed ***“in the name of the Father, and of the Son, and of the Holy Spirit. (Matthew 28:19)”*** The milestone of your baptism is a daily encouragement for you.

You might be sensing a pattern here. God's milestones are given to preserve and strengthen you in faith, and they form the outline of our worship. Indeed, the very first milestone God gives to his creation is the Sabbath rest. ***“So God blessed the seventh day and made it holy, because on it God rested from all his work that he had done in creation. (Genesis 2:3)”*** Each week holds the reminder of God's work of creation, and your opportunity to rest from your labor is a day to remember that. No wonder, then, that God desires us to remember the Sabbath day. It's the milestone of God's creation. It's the milestone of your redemption through Baptism. It's the milestone of sanctification, as you receive the forgiveness of Christ at the railing. It's the day of God's eternal and ongoing work to restore, strength, bless, and preserve you in faith. It's a day to rejoice as you meditate on his wondrous works and give thanks for all that he does to preserve you physically and spiritually. With all that the Lord provides on this day, it's a blessing for us to consider his wondrous works. ***“For all this it is my duty to thank and praise, serve and obey him. This is most certainly true. (Small Catechism, 1st Article of the Creed)”*** For all that you receive from the Lord each day, rejoice and give thanks for his wondrous works. Celebrate the milestone of another week of God's grace.

The Lord be with you!

“Rooted in Christ” (Colossians 2:6-7)

Greetings to all in Christ.

We have 5 weeks of school under our belt, and everyone seems to be in a good routine. We are 87 strong! We are grateful for your support!

Pastor Tessone and Pastor Freeman have been busy teaching our 7th and 8th grade religion class. Grades K-8 have completed their first benchmark testing of the year in LA and Math, and 3rd-8th also Science. The volleyball team has participated in 6 games already, and the team is looking good! The PTL fundraiser is going well, and we hope to raise \$5000 for our school programs!

Our leadership will already be working on the SPLSA 27-28 budget for the October Council meetings and the Voter's meetings for both churches. Keep in mind that this is a very preliminary, “educated guess” on the budget. Families cannot apply for the MO Scholars' program until next spring, and we do not yet know the details and impact of the **Federal Scholarship Tax Credit Program**. The good news is that our enrollment has been on a positive trend, and we are hoping to continue that trend. Our teachers are outstanding, and we are fully staffed in all instructional areas.

Federal Scholarship Tax Program:

Our MO District Director of Schools, Josh Schwartz says, **“Our intention is to provide Missouri District schools with an SGO (Scholarship Granting Organization) option that understands Lutheran education, aligns with our shared mission, and builds upon our experience administering MOScholars. We are actively preparing for this work even as we await the final rules and state-level procedures. For now, no immediate action is required from your school. We will share additional guidance as reliable information becomes available and will provide schools with the opportunity to learn more before commitments or participation decisions are needed.”**

YOU CAN HELP FUND our MO Scholars Scholarship Fund - at no additional cost to you! Below this paragraph are the *****instructions and information - deadline is December 31, 2026 to RESERVE** your tax credit. This is just a way to prepay your MO Taxes - if you owe any. Estimate and reserve online, then pay within 30 days. We have 32 MO Scholars at SPLSA, with only two more (34) on the waiting list. **You can help fund these two waitlisted families with the MO Scholars Tax Credit this year!**

***Taxpayers to the state of MO - **both individuals and businesses** - have the unique opportunity to direct up to 50% of their state taxes to Lutheran Education. The tax credit program, MO Scholars, allows the Missouri District to convert tax dollars into scholarships for qualifying students attending LCMS schools throughout the state. Reserving these tax credits is easy and can be completed online in a matter of minutes. Head to <https://mo.lcms.org/mo-scholars/> to learn more about MO Scholars and get the process started. Questions can be directed to Leah Sieveking at 314-590-6211 or leah.sieveking@mo.lcms.org.
